Report of County Commissioners

To the Citizens of Coos County:

As with private industry, it has been a struggle this year to stay within our appropriated Budget, due to inflation. We did succeed, and ended the year with a small surplus.

We wish to give credit to Mr. and Mrs. Leopold Bouchard for the very efficient management of our County Institution, and to emphasize our appreciation for their part in the increase in the anticipated revenue.

Next year we will be entering into the transition period when the hospital will be phased out. This is due to the construction of a new hospital in Colebrook. At the present time we have more applications for rooms in the Nursing Home than we will be able to accommodate when this takes place.

Everyone likes to be number One, and we are no exception. A survey of all Counties in the State was carried out by personnel from the U. S. Department of Agriculture in regard to the distribution of Surplus Foods. Coos County received the top rating in the State.

There are several major items to be considered in the Budget for 1970. Some action must be taken in regard to the heating problems at the Institution. There is also a very definite need for an extensive roof and brick repair job at the Lancaster Court House.

We wish to express our deep appreciation to the County Delegation and all County personnel for their splendid cooperation.

Respectfully submitted,

Rene Bergeron
Norman Brungot
Dana Lee

Report Of Superintendent

There were 94 births, 38 deaths, 2562 out-patient visits, 1412 X-Ray examinations, 3862 laboratory tests, 136 electrocardiograms, 22 transfusions and 122,205 meals served.

525 Hospital admissions with 4895 patient days.

38 Nursing Home admissions with 13,707 patient days.

34 Rest Home admissions with 5,678 Rest Home days.

142 Jail admissions with 1179 jail days.

60 House of Correction admissions with 2,670 H of C days.

During the past year, the Nursing Home acute care section has been operating to full capacity. It is impossible for us at this time to keep up with the applications.

The program of replacing toilets and windows in the Jail section is underway and we hope that it may get completed this coming year.

Some new furniture has been bought for the Institution and fifty eight (58) aluminum windows installed. We still have eighty (80) more windows to complete the replacement program.

We wish to thank all our employees for their cooperation and support, without them we could not function.

In closing we wish to thank the Doctors, the Clergy, Beecher Falls Manufacturing Company, the many different organizations, the youths of the surrounding communities, the Salvation Army and Beauticians of Berlin who have given so generously of their time and donations to make our patients and residents' time much more pleasant. A special Thanks to the merchants, Colebrook JayCees and their Santa for making Christmas a day to remember. We would be remiss if we did not thank Dr. Norman Brungot, Rene Bergeron and Dr. Dana Lee for their support in this first year of our administration.

Sincerely Submitted,
Leopold Bouchard, Superintendent,
Mary E. Bouchard, Administratrix

CHAPLAIN'S REPORT

To the Board of County Commissioners:

Gentlemen:

Herein is a report of the Catholic Priest and Minister in service to the County Nursing Home and Hospital.

The Rev. Bernard Messier as Catholic Chaplain administered the Sacraments as desired by the patients and the Sacrament of the Sick on day or night call. There is a continuous visitation program with counseling and encouragement. The theme of all is communication.

Mr. Paul Ryoo as Protestant Minister has provided his services in visits to the patients, reading of Scripture and consultations and comfort upon all occasions.

Gratitude is expressed to the Commissioners and to Mr. and Mrs. Leopold Bouchard for the opportunity to attend the sick and offer encouragement to the distressed.

Respectfully submitted,

THE CLERGY
